## The USSC C242 Cast Iron Wood Stove

Rustic, heavy duty, cast iron constructed stoves. Ideal for any rugged outdoorsman, those with a nostalgic taste, or someone simply looking for a reliable and cost efficient way to heat. It is perfect for log cabins, large garages and shops.

- Made with heavy-duty cast iron construction - long life expectancy
- Clearance to combustibles: 34" side, 26" back, 30" ceiling
- Two lift out cook lids allow you to cook food
- Front and top loading access
- Fully assembles in minutes
- Two piece safety handle
- No electricity required
- Built-in damper
- EPA exempt
- Easy to use

Optional Cast Iron Fire Grate  
Dimensions - 7" x 27-1/4" x 14-1/2"
