

# Fireplace Feature Walls with Wingsone Wallscape Panels

FAST • EASY • AFFORDABLE

Perfect for electric fireplace installations.  
Color matched edge trim and mantel shelf provide the finishing touches.

Combine Wingsone Wallscape panels with our custom tile fireplace surrounds for a fast, efficient installation with a coordinated look.

# Create a stunning Wingstone Feature Wall with the look of real stone.

A Wingstone Wall installed in two hours.

- ◆ Realistic look & feel
- ◆ Economical cost
- ◆ No messy mortar
- ◆ Increased R-Value

## Quick & Easy Installation

Cut panel to length with standard saw.

Apply polyurethane adhesive to panel back.

Fasten panel to wall at flange with screws.

Dab visible cuts or screws with touch-up paint.

Wallscape Panels are easily mitred for seamless looking corners.

Each Wallscape Panel

- ◆ Covers 8 square feet for fast installation
- ◆ Has shiplap edges for a seamless look
- ◆ Weighs only 9 lbs for easy handling

Wingstone Panels are cast from structural polyurethane for a durable and realistic finish. Panels are inert, non-toxic, and free of any off-gassing.
